PACKAGED OILFIELD SOLUTIONS

SPN Well Services provides a complementary suite of completion, production and drilling services, including well service rigs, drilling rigs, coiled tubing, electric line, thru tubing, remedial pumping, rentals, production tools and pressure control. Offering both individual and packaged services, we support all phases of your well's lifecycle while helping you reduce costs and enhance production. We also offer local leadership, basin-level experience and innovative application of technologies.

- > PREFERRED PROVIDER
- > SAFETY LEADERSHIP
- > ISO CERTIFICATIONS
- > SERVICE QUALITY
- > CAPITAL STEWARDSHIP
- > NIMBLE INNOVATOR

Extensive U.S. Basin Footprint

DRILLING RIGS

- » Drilling Services
- » Vertical Drilling
- » Horizontal Drilling
- » BOP Stacks
- » Variable Horsepower Units
- » Latest Rig Technology

CATS

- » Completions
- » Service Work
- » Automated Snubbing
- » BOP Stacks
- » Walking System
- » Automated Pipe Handling
- » Innovative Technology

COILED TUBING

- » Drill Outs
- » Well Cleanout
- » Fishing
- » Workovers
- » Perforating
- » Nitrogen
- » Fluid Pumping

SERVICE RIGS

- » Completion & Production Packages
- » Plug & Abandonment Packages
- » Pump & Swivel Packages
- » BOP Stacks
- » Pipe & Handling Equipment
- » Swabbing
- » Slickline
- » Workover Services

SNUBBING

- » Fishing
- » Plug Drill Outs
- » Cleanouts
- » Installations
- » Well Control

PRESSURE CONTROL

- » Well Testing
- » Torque & Testing Services
- » Grease Injection
- » Green Flow Back

E-LINE

- » Perforating Services
- » Production Logging
- » Well Integrity Logging
- » Pipe Recovery
- » Plug & Abandonment

THRU TUBING

- » Mud Motors
- » Hydraulic Disconnects
- » Junk Baskets & Tools
- » Bits
- » Workover Applications
- » Coiled Tubing Applications
- » Snubbing Applications
- » Agitators

REMEDIAL PUMPING

- » Customized Chem Add Units
- » Dual 600 HHP Pumps
- » Skid Mounted Single Pumps
- » Optimal Crew Size
- » Precision Mixing Capabilities

PRODUCTION TOOLS

- » In House Manufacturing
- » State of the Art Machine Shop
- » Tool Refurbishments
- » Fully Certified API Facility
- » Preventative Maintenance

RENTALS

- » SPC Hydraulic Cat Walks
- » Power Swivels
- » Skid Mounted Pumps
- » Rig Tanks
- » Well Control Equipment
- » Zipper Manifolds
- » Frac Stacks

ADDITIONAL PACKAGING OPPORTUNITIES

COMPLETION SERVICES

- » Gas Lift Valves
- » Subs
- » Composite Plugs
- » Cemented Sleeves
- » Valves/Packers
- » Remedial and Stimulation Tools

PRESSURE PUMPING

- » Horizontal Fracturing
- » Plug-n-Perf Pump Downs
- » Zipper vs Single Wells
- » All types of fluid designs
- » Well Factory Fracturing
